HI All – Vlad is pretty much ready conclude, but we need to accept his final edit which is the addition highlighted in yellow. It's a bit redundant but defer to Sara, if it's okay.

Tom, can you start working on OGC concurrence? We are planning to get the blue folder to Deborah this Friday, but may be forced to get it to OW as soon as this Friday.

If you can accept the attached edit (or a modified form of it that retains the intent) I can conclude OMB' review later today.
