April 6 - call w/ PARC / EPA / ATSDR
= planning for April 9 & 10 meeting re: Triangle Lake
Govn'r Natural Resources "huddle" based on ODA
concerns over the public meeting

ODA, DEQ, Forestry, Health, Governor's office
had a follow up meeting w/ concerns of safety
and security of State workers
- asking community for their preferences
for biomonitoring
State doesn't think it's "ready" to do biomonitoring
ahead of spring 2013

DEQ cannot work on air monitoring w/o reimbursement
from EPA (Joannie Hammond
- Joe said she thinks the PARC may have authority
to use state agencies but has to be discussed
by upper management

866 249 5325
823135#

18-20 people will provide data on Monday
- people will consent to allow OHA to request their
biomonitoring data from Dr. Barr
