* What does the state want from the community?

A couple people want Oregon Toxics Alliance to participate
= Lisa Arkin leads that

Community Advisory Group
- Advisory but not decision making
- Informing agencies
- Comments & on-site reports
- (meetings, email, etc)
- Representatives of the community
  broad range of representation
  (OPAWG many they 36 residents are members)

Stakeholder meetings including (OTA) Lisa

* Karen would like a liason group of study area in particular
  Karen, Jae, Sujata, Dave, Julie (new health assessor to Todd)
  Program manager

Can EPA encourage / facilitate a Community Advisory Group?

Steering committees for planning meetings (calls)
(like Yakima)

Urge them to have more meetings & we'll provide technical

Meeting after the first round of sampling
