NJD002338267

Preliminary Assessment Review Form

SDMS Document
122571

Site Name: ALUMINUM SHAPES, INC.
Aliases: —
Address: 9,000 RIVER ROAD
City: DELAIR
County: CAMDEN
State: NEW JERSEY
Priority Rating Given: HIGH
(By State or Contractor)

Agree: ✓
Disagree:
(Check One)

If Disagree, Why?

Other Comments: Potentially, a waste quantity ~~of~~ in excess of 2 million gallons of paint line process wastewater (with not clearly documented hazardous substances) was deposited in the percolation field. On-site monitoring of wells should be conducted to determine the extent of any ground water contamination.

Recommendation:
Final (By EPA)
