Re: Sauget S.Fe G OSSHP

> OSSHP does not contain TAT hazard analysis, PPE, or procedures

> TAT emergency #'s are for Chicago office instead of Cincinnati

> Scope of TAT work doesn't include perimeter air supply.

> I called P.M., he said he's not allowed to charge for work on OSSHP. He said he gave you a copy of our standalone SSP.

?? > Who is to supply information? I can do it, but I don't want to violate OSC rules of game. Please let ~~Sam~~ me know through Sammy how process is to be completed.
