Subject: P-Chem Billings for Sludge.

Our Billings Have Been Increasing Dramatically In Recent Months, Based On "Measured" Amounts. Please Note:

			%
October (9/27 to 10/24)	-	$ 11,642	(.338)
November (10/25 to 11/28)	-	$ 17,501	(.426)
December (11/29 to 12/26)	-	$ 22,596	(.483)

We Are Billed On A Rolling 12-Month Basis, But These Actual Charges Will Raise Our Payments Significantly Over The Next Few Months.

Is There A Logical Explanation For Such Increases? Our Flow Has Been Fairly Steady At About 6% Of Total Measured.
