Hi Greg,

Just wanted to follow up regarding the Project Acceptance Form and see if you'd had a chance to look it over. We need to have it completed and signed so that I can route it through our approval process as soon as possible.

Thank you very much!

Subject: NCRFO Project Acceptance Form - Lowerline

Hi Greg,

Please find attached our NCRFO Project Acceptance Form for Lowerline. Please review and, if everything looks fine, please digitally sign in Section I and email back to me to route through our approval process. If there are changes you'd like to make, please let me know. We will also need Section II filled out with your site billing information.

Thank you very much!

My best,
