Dear Sirs,

Re: Chemetco Superfund Site General Notice Letter

We herewith confirm receipt of your letter of February 17, 2012 and inform you as follows:

1. We have to inform you that we do not have any documents or data concerning Chemetco.
   For the Dutch law we have to keep records for 8 years, so we do not have any documents before 2003.

2. We remember we sold a few parcels PCB which were in our opinion for resale to other customers.

3. After payment of the material, the ownership of the material goes into the hands of the new owners.
   In our opinion you have to go to the owners or Management of Chemetco.

We are sorry but cannot accept any responsibility in this matter.

Yours faithfully,

JACOMIJ METALEN B.V.
