NPL Proposed Rule #50 and Final Rule #46 were signed yesterday by Barry Breen. The proposed rule proposes to add 13 new sites to the NPL. The final rule adds 9 sites to the NPL, including one Federal facility (see site lists below). Attached are the one-page site summaries for each site.

Both rules are expected to be published in the Federal Register on Thursday, April 9.

If Regional press offices would like to coordinate with HQ, please have them call the HQ press office directly.
