RTC Calendar Jan-Feb 2009.doc RTC Schedule 1-7-09 showing changes redlined.doc

CSC above has put together a calendar/chart showing deadlines for work on the 3 comment sites we are working on for this rule (USS Lead, Behr Dayton, and Ft Detrick) and the Goodrich site. The schedule only goes through early February because that is the date we need concurrence for the 3 sites in the rule. (Karen, we have a schedule for later work on Goodrich.)

Please note the dates for the assignments going to regions for this rule and when CSC has to complete the drafts so that you can get your input toCSC in time. If deadlines can't be met, we may have trouble getting them into the rule.
