BJ,

The references for USS Lead have burned onto a disk and will be mailed out to Tanya today.

The following references were not found electronically: Refs. 1, 2, 19, 26 - 29. Ref. 1 & 2 are the HRS rule and SCDM, respectively. Ref. 19 is a map of East Chicago. Refs. 26 - 29 are the USGS maps. I'll continue working on procuring electronic copies for Refs. 19, 26-29.

If you need anything else please let me or Laura know. Thank you.
