Dear Ms. Jeng:

CSC is submitting the draft Quality Assurance (QA) Status Summary Report of HRS packages submitted for QA review and technical assistance under contract EP-C-06-085. This report covers the period of February 1, 2009 through February 27, 2009. Please review the attached report and let me know if there is any additional information that you or the Regional NPL Coordinators would like added or removed.

Please note that due to enhanced pre-proposal QA activities, not all recent submissions (new or revised references, figures, etc.) from the Regions may necessarily be captured in this report. Any items missing from the report will be included in the March 2009 report.

If you have any questions regarding this report, feel free to contact me at (770) 904-0198.
