OK, since both of you can meet on Thursday, can we say we will meet at EPA front desk at 2:00 PM Thursday, Dec 7th, and either go to the cafeteria or to one of the meeting spaces on your hallway to pow wow on how best to put these samples to use?

Thanks and we will see you then... do you all have to alert security that Melissa is coming to visit or just meet us up front?? If so, please let them know.
