PRELIMINARY ASSESSMENT REVIEW FORM

SITE NAME: Vanguard Vinyl Siding, Inc.

ALIASES: GAF Vanguard Vinyl Siding, Inc.

ADDRESS: Gloucester City, NJ

COUNTY: Camden

CERCLIS ID # NJD 982530073

FISCAL YEAR & QUATER FOR SCAP:

PRIORITY RATING GIVEN: Medium priority
(by State or Contractor)

EPA RECOMMENDATION: Low priority for further action

PA METHOD SCORE: 50 GW = 100 SW = 3 AIR = 12 Soil = 3

COMMENTS:

Soil on-site has been shown to have spills and contaminants present. There is no resident population or workers present.

Groundwater may be contaminated due to presence of soil contaminants. Nearest well is 0.86 miles from the site and is more than 200 feet deep.

Surface water has a potential to be contaminated. The Delaware River is under tidal influence and its flow is >1000 to 10,000 cfs.
