Subject:	Final Update 1/26/17 1430 OPA – Magellan Hanlontown Diesel Spill
Date:	Thursday, January 26, 2017 2:30:00 PM

Final update for the Magellan pipeline diesel spill near the Iowa/Minnesota border.

- No waterways appear to have been impacted. Magellan continues to remove impacted materials onsite and work to repair the pipeline.
- Region 7 OSC Susan Fisher demobilized the site this morning.
- Region 7 OSC John Frey is assessing downstream booming locations and conducting final coordination with IDNR and onsite Unified Command. OSC Frey will demobilize the site by 4:00 p.m. this evening and will return to the Regional Office tomorrow morning.

This is the final update unless changes occur to the situation which warrant additional updates.
