① I Am working on A site that was called Republic Steel tudor Works in East St. Louis, Il. Talking with Republic Steel, now LTV Steel they said that they sold you some of the property. The company sold the State of Il about 5 Acres and You (Union Electric) about 7 Acres. What do you use the land for?	② Transmission lines. - It was easier for us to acquire all the land instead of acquiring pieces for Right of way.
③ The only use is power lines?	④ Yes.
⑤ Thank You.
