Hi Alan,

Thanks for the heads up. Mr. Fulbaum called me too, and I'll be getting back to him soon.

Just received a call from Mr. Otto Fulbaum (Attorney) who related that he represented the Moordock Lake Association in Valmeyer IL.

He was inquiring as to quantity of impacts onsite and what remediation might be required for such an action. I kept things very brief and somewhat vague. When his questions got specific as to remediation I referred him to you.

Let me know if you have any questions.

Thanks,
Alan.
