It would probably be more helpful if I forwarded the email with Cascade's proposed agreement.

Subject: Bremerton Gas Works Tolling Agreement

Hello Lindie –

On behalf of Cascade Natural Gas, see the attached draft tolling agreement for the Bremerton Gas Works Superfund Site for DNR's review for execution. Also attached is a cover letter that sets forth the rationale and timelines that necessitate the agreement. As stated in the letter, we will need to have feedback from DNR on or before April 15th.

Please contact me if you have any questions.

Best regards,

Nathan Soccorsy
