| **Subject:** | Meeting regarding the former Martin Marietta Reduction Facility, The Dalles |
| **Date:** | 12/20/2012 06:23 PM |

Harry,

I wanted to see if we could set a date for our next in person meeting to discuss the former Martin Marietta Reduction Facility located in The Dalles. As we have discussed previously, items to be addressed at the meeting include construction details for the RCRA Landfill, the evaluation of possible leachate treatment options, and an outline of the proposed air sampling program. An agenda will be provided for your comments prior to the meeting.

Does the week of January 21st work for you, preferably January 22, 23, or 24? Please let me know.

Thanks,

Brian
