1000 ft dumpings pile

gypsum or calcium sulfate
close to pond
acrapack dumpings

also a Red haired man named Mc Kenny a dozer operator helped burry the stuff in the dump like barrels

We must get Jerry Perron to tell us ware the many Barrels are burried a man named Robert Burns said that he helped Himco burry the Barrels when the Himco dozer broke down one time Robert Burns told my son about this

Lee

Ask Jerry ~~Perron~~

dozer operater

and Mc Kinney

a dozer operater and Robert Burns

Mr Mc Kinney a red haird thin man said to me Pat Rumfelt that when he was hired by Himco he was told that he was not aloud to tell anybody what he was burring out back
