Re: Himco, Dump Inc. in Elkhart, Indiana
Our clients: Peter, Ruth and Albert Falcone

Dear Victor:

As I mentioned to your receptionist today, as you can see I am writing about a subject other than Four County Landfill. I have been retained by the Falcones to represent their interests. I would like to receive from the EPA a reasonable extension of time within which to respond to the questionnaire that was submitted to the Falcones on May 25, 1989. I would like to discuss that subject with you, as well as, in general, the position of the Falcones with respect to their liability as potentially responsible persons.

It is my impression that the Falcones purchased this land and did not in any way add any materials of any sort whether detrimental to the environmental or not, during the time of their ownership.

I would appreciate speaking with you at your early convenience. Thanks for your cooperation.

Very truly yours,

John C. Hamilton
