Hi - As I mentioned on the call this morning, I will be instructing a training course in Boise for the next couple days and may not be able to respond to phone calls or e-mails in a timely fashion. If you need immediate assistance from EPA, please contact: Marianne Holsman, Public Affairs Director 206-553-1237. Please add holsman.marianne@epa.gov to the e-mail distribution list for the JIC. Thanks! Judy

PS The reporter from Al Jazeera contacted EPA last night after a referral from Multnomah County (Thanks Julie S-S!). The reporter was provided a response to her questions from our headquarters press office.
