Josh –

The attached response contains Jamie and Curtis' edits. If you concur, I will present the attached version to Ed for concurrence and Jim for signature.

Curtis' edits are in red.

Josh - this starts intergovernmental.

Let's get an acknowledgement letter I can send back to the agency directors. Then, figure out a path forward. What program appropriate consideration and whether HQ can assist.

I'm guessing we have dealt with pesticide contamination or product disposal at some point in time.

Let's see where we are by the end of the week.
