Dan and Rich,
I just found out I'll be at OOO for a NRE meeting with DEQ, this Thursday. Cliff Villa and I should have an hour from 1-2pm if you guys want to discuss anything, or even grab lunch? Hell, we could even touch bases on LST-1166 if nothing else. We aim to hit the road at 2pm.

Cal, if you're around I'll leave you acting on Thurs and Friday. I'm taking A/L on Friday and heading to the Island for the weekend.
Chris.
