Subject: call-in # for Friday, 9:00 am?

Seiko: I haven't seen anything about a call-in # for the Friday, 9:00 am, meeting about the vessel LST-1166. If a call-in # has been set up, could you please send it around? If a call-in # has NOT been set up, can you possibly take care of this by 9:00 am?

Thanks.
