1000 at Starbucks would be great. That's a usual spot that we stop at anyway.

Shaun,

I just spoke to Jonathan Freedman (Ocean Dumping) and he said that this Thursday is good. What do you think about meeting him and Tristen (the Seattle PCB guy) in Longview around 10:00 hours? I can meet you at Sector Portland, or I can meet you in Longview at a place of your choosing. Last time we stopped at a Starbucks before going over the bridge to the Oregon side. Any other easy meeting place would be fine, perhaps at the Longview exit off I-5.

Also, I'd like to bring one other person from our office if possible, so there'd potentially be 4 EPA personnel. I've also sent the SOW along and will get back to you on the SOW and cost estimate. I assume the limit right now is $10,000.

Richard- is EPA visiting the LST this Thursday? We haven't heard a confirmation on this.
