RE: 2012 Export Report (calendar year, 2011)

EPA ID # - KYD985073196
American Environmental Services, Inc.
1689 Shar-Cal Road
Calvert City, KY 42029

The American Environmental Services, Inc., (AES) Calvert City KY facility is a fully permitted Part B hazardous waste TSDF. AES strives with each profile received to find a cost effective method of disposal for each waste stream within the United States.

AES exported (26) shipments totaling 961,084 pounds of material to Stablex, of Blainville, Canada, in 2011.

This represents a reduction in material exported from 2010. AES will continue to evaluate all methods of treatment/disposal activities to ensure that hazardous waste is exported to Canada only as a final alternative.

"I certify under penalty of law that I have personally examined and am familiar with the information submitted in this and all attached documents, and that based on my inquiry of those individuals immediately responsible for obtaining the information, I believe that the submitted information is true, accurate, and complete.
