Subject: **2013 Annual Export Report (EPA Notices No. 001381/9E/10)**
**Shell Oil Products US, Martinez Refinery - EPA ID# CAD009164021**

Dear International Compliance Assurance Division:

Attached please find the Annual Export Report for the Shell Oil Products US, Martinez Refinery as required by 40 CFR 262.56 and the California Code of Regulations, Title 22, § 66262.56. The Shell Oil Products US, Martinez Refinery did not export any hazardous waste for the period from January 1, 2013 through December 31, 2013. A signed certification for the report is also attached.

In compliance with the requirements of 40 CFR 262.56 (a)(5), Shell Martinez Refinery (SMR) continues our efforts to reduce the quantity and toxicity of the hazardous sludges by minimizing the solids, hydrocarbon and hot water discharges to the refinery wastewater collection system. SMR continues to process some of the oil-bearing materials into the Delayed Coker Unit (DCU) and continues to investigate potential avenues of increasing the amount of oil-bearing materials the refinery can process at this unit.

If you should have any questions regarding this report, please contact Michael Monson at (925) 313-5516.

Sincerely yours,

Natalie Braden
