DEPARTMENT OF THE AIR FORCE
HEADQUARTERS 104TH FIGHTER WING (ANG)
BARNES AIR NATIONAL GUARD BASE, WESTFIELD MA

14 February 2014

MEMORANDUM FOR: Office of Enforcement and Compliance Assurance

SUBJECT: Export of Hazardous Waste Annual Report for CY 2013

FROM: 104FW/EM
Barnes ANG Base
175 Falcon Drive
Westfield, MA 01085-1482

Generator: MA Air National Guard - 104th Fighter Wing
327 Lonczak Drive
Chicopee, MA 01022
EPA MAC300093275

Transporter:	Western Mass Environmental, LLC,	EPA MAC300010147
Transporter:	Veolia ES Technical Solutions,	EPA NJD080631369
Transporter:	Freehold Inc.	NJD054126164
Consignee:	Stablex Canada, 760 Blvd Industriel, Blainville, PQ, CD J7C3V-4 EPA NYD980756415	

Hazardous waste included on the manifested exported to the above consignee is NA3077, Hazardous Waste, Solid, n.o.s. (Cadmium, Chromium) 9, III.
D006 and D007 waste codes, 1 container, type DM, weighing at 40lbs.

104th Fighter Wing gives a strong effort to reduce the volume of waste generated. Smaller quantities of hazmat materials are now issued so no material goes unused/expires. We are also involved in the "closed-loop" program that recycles and reuses waste oil.

We are experiencing fluxes in the amount of hazardous waste generated due to training and maintaining the planes. We will continue to try and reduce waste where we are able.

I certify under penalty of law that I have personally examined and am familiar with the information submitted in this and all attached documents, and that based on my inquiry of those individuals immediately responsible for obtaining the information. I believe that the submitted information is true, accurate, and complete. I am aware that there are significant penalties for submitting false information including the possibility of fine and imprisonment.
