Re: Hazardous Waste Export Annual Report – 2014
Clean Harbors Environmental Services, Inc.
G4475 South Dort Highway, Burton, MI 48529
EPA ID Number: MIR000014530

Dear Sir or Madam:

Pursuant to 40 CFR 262.56, Clean Harbors Environmental Services, Inc. (CHESI) is pleased to submit the enclosed report summarizing the above referenced facility's 2014 hazardous waste exports. During 2014, CHESI exported hazardous wastes to the following facility under the respective Acknowledgements of Consent (AOCs):

Destination Facility	Location	AOC No.
Clean Harbors Canada, Inc.	Corunna, Ontario	006682/3E/13
		006695/3E/13
		008040/9E/13
		008879/1E/14
		008882/1E/14

In instances where a waste stream is listed in the report as having a specific number, such as "8" or "015", this number represents the waste stream number in the applicable AOC.

The report does not reference any universal wastes because CHESI did not export any universal wastes during 2014.

CHESI is dedicated to the reduction and elimination of waste wherever practical. In the case of the hazardous wastes that CHESI exported during 2014, however, CHESI was not the actual generator. CHESI acted as the primary exporter on behalf of Clean Harbors' clients and also conducted truck-to-truck transfer activities to ensure the most efficient routing of wastes to the final disposal and/or recycling facilities. As such, techniques to reduce the volume and/or the toxicity of the wastes are not practical.

I certify under penalty of law that I have personally examined and am familiar with the information submitted in this and all attached documents, and that based on my inquiry of those individuals immediately responsible for obtaining the information, I believe that the submitted information is true, accurate, and complete. I am aware that there are significant penalties for submitting false information including the possibility of fine and imprisonment.
