SUBJECT: Review of GSA's Revised Plan for the Federal Bureau of Investigation Headquarters Consolidation Project

On March 13, 2018, the Office of Inspector General for the General Services Administration (GSA) opened a review of GSA's revised plan for the Federal Bureau of Investigation's headquarters consolidation project. We initiated this review in response to an inquiry from the Ranking Member of the House Committee on Oversight and Government Reform's Subcommittee on Government Operations.

We are providing a draft of our report for GSA's review. Please inform us by **August 10, 2018,** whether GSA believes the report contains any factual inaccuracies. We will take GSA's response into consideration before we issue the final report, which we plan to release to the public in August. Your timely response is needed so that we may provide a prompt response to this congressional inquiry.

Please do not hesitate to contact me at [redacted] if you have any questions. You may also contact Brian J. Gibson at (202) 273-7278, or [redacted].
