Yes that is correct; it is a blanket (gravel) toe drain, it drains to a manhole.

We are updating the section to add the manhole and discharge pipe.

Thanks,

Mike

Hi

We have been told that there are no pipes in the toe drain for Possum. It is only gravel that allows gravity flow to a collection point

Christine we updated the section and added some labels.

Please review and advise of any comments.

Thank you,

Mike
