Thank you for the SFSU media relations contact Dr. Bowler.

On yesterday's conference call we discussed that both ODH and ATSDR were not planning to put out a press release or conduct any kind of media relations, and it was understood that US EPA's (Danelle's) media relations people have taken the lead with the coordination of the press releases and Letters to the Editor. If your agency would also like to send out a press release, you'd likely have to have Nan talk with Danelle's media contact.

NOTE: Please recall that we (ODH) felt it was crucial we communicate the results of the East Liverpool Mn health study with the residents of Marietta as well. A Letter to the Editor was just one tool we'd use (and have used) if we were not meeting with them. I'd also recommend we send the April 18th public meeting press release announcement to the Marietta media outlets as well, offering the opportunity for those in Marietta with an interest in SFSU's study a chance to come hear the results and/or ask questions.

Subject: contact for SFSU Press office

Hi Greg,

I did more of my homework and have here the press manager at SFSU. I told her I would be gone to Cape Town but don't expect any press there and that you would contact her and tell her more about the findings. I described only the study very minmally and briefly to Nan.

she is:

Broadbent, Nan - 415.338.7108 - University Communications **...** Location: ADM 156, Name: **Broadbent, Nan**
E-mail:nbroadbe@sfsu.edu
Title: Assistant Director for Media Relations

thanks - I am glad all that is now in place so I may even get a few days off with Nelson Mandela (although I won't be that lucky and more than likely just make the

usual pilgrimage to his cell he lived in for a long time.

Thanks for all,

Rosemarie

Hi, sorry but I have so many hours email each day I don't do twitter nor

facebook.
Do you have the name and email for Nan please?

thank you,

Rosemarie
