Hi Christine,

Thanks for the e-mail. Hanh and I have already exchanged notes and I look forward to additional materials from her soon.

Ahmar

Subject: Cook Inlet Oil and Gas Exemption

Janet and Ahmar, thanks for the conversation about the status of the evaluation of the Cook Inlet oil and gas exemption. It was very helpful. We would like to pursue the effort to evaluate additional information so that the Agency can make an informed decision by summer 2015 whether 1) withdrawal of exemption is justified, or 2) more study is needed. Hanh Shaw will be Region 10's project manager/point of contact with technical assistance from Tim Mayers and Cindi Godsey. Please contact Hanh to discuss and coordinate the next steps.

Let me know if you have questions. Thank you and happy holidays.
