Dear FOIA officer,

I hope this message finds you well. I'm writing to request under applicable laws to review records under your agency's purview.

I wish to review communications, reports and memoranda produced between Feb. 1 and the present, concerning radiological contamination and/or remediation in Treasure Island Site 12 and/or areas within a 200 foot radius of Treasure Island buildings 1325, 1133, 1205, and 1237. This includes but is not limited to Navy communications generated by agencies such as BRAC and RASO, as well as communications received from, or directed to, entities outside these agencies.

If there are ways I can further refine my request to make it more efficient to fulfill, please contact me at msmith@cironline.org, or at 510-809-3160 xt. 373 <tel:510-809-3160%20xt.%20373> .

Kindly,

Matt
