Milestones/Tasks																										
Execute Contract																										
Task 1: Purchase Fluorometric analysis equipment																										
Task 2: Conduct Fluorometric analysis to water samples																										
Task 3: Contact Agricultural BMP participants																										
Task 4: Develop BMP Implementation plans																										
Task 5: Install Agricultural BMPs																										
Task 6: Estimate load reduction using Region V Model																										
Task 7: Determine locations for corral systems																										
Task 8: Implementation of corral systems																										
Task 9: Conduct Educational Workshops (2)																										
Task 10: Develop "Wild Hog Control in Georgia" manual																										
Task 11: Conduct post-BMP monitoring																										
Task 12: Submit Quarterly Invoices & Status Reports																										
Task 13: Submit Final Close-Out Report
