During the period
Has Hunt Chemical ever ~~participated~~ participated

~~[illegible]~~ in or encouraged a ferrous chloride drum ~~based~~ deposit and return program

Have you as part of that program ever been involved in a spent ferric chloride, etcetera reclamation service

Have you ever received back materials which could not be reclaimed.

~~Were those~~
If the answer is in the affirmative, were those materials wasted.

If yes were those materials bulked for disposal or disposed in the returned drum.

Have you any use?
