Got your VM. I just have the same point as usual re VGH's request for me to do the presentations -- I have no objection, but eventually others are going to have to do those.

Also, the details of both the OCR staff and OEJ presentations still need to be worked out. We could discuss w/ VGH & Jim when we continue w/ them on Monday if that works for you.

Velveta made a number of points during the primer discussion that you should know about:

Ex. 5 - Deliberative/Attorney-Client

She would like a version of the primer presented to her staff. Also, when OCR meets with OEJ on May 15 @ 2 PM, she would like the primer presented then as well. I told her that I'd share those requests with you for you to assign. She said that she may request that you assign me to do them. Can we talk about that?

Also, as you already saw, she wants to finish going through the primer on May 5 @ 2 PM.
