---

Good morning Ms. Goldsmith,

Attached is a copy of a letter from EPA to Alaska DOT&PF, which was signed last night and went out in the morning mail. The letter contains the demand for stipulated penalties, which were agreed upon during our meeting on February 10th of this year.

Shortly after Alaska DOT&PF pays the stipulated penalties, which I understand is in progress, I am anticipating that Mr. Healy will submit a letter in which he will certify that the conditions listed in ¶ 41.c. of the Consent Decree are satisfied, and will request termination of the requirements in Section III of the Consent Decree.

If you are at your desk, I will call you in a couple of minutes.

Thank you Anmei.
