And here's the T6/EJ comparison table.

JULIA -- At our weekly w/ Bicky on Tuesday last week, she hadn't had a chance to review the latest draft of the T6/EJ comparison table, so we did not discuss it. Bicky just sent the table back to me via CTS this morning, but there don't seem to be any edits in the document. So it would be helpful to keep that item on the agenda to find out what she wants to do w/ it now, if anything, other than Manisha's talking points.
