Chris,

Apparently the letter has not yet left the midtown sorting facility in NYC. I've opened an "investigation" with the USPS to try to track it down with more specificity.

If they have anything that may help DOJ locate it more quickly, it would be appreciated. Thanks.

Chris,

Thanks for the update. I saw your message pop up and hoped you were confirming receipt. I will ask the finance people if they have a tracking number or proof of delivery.

Anmei,

This is a status update, as it has been almost two weeks since your email notifying EPA that the treasury warrant was sent to the Federal Reserve in New York City, instead of the electronic payment method specified in the Consent Decree. The Dept. of Justice has been trying to locate the warrant.

I will let you know when it has been received. Thank you Anmei.

Chris,

Attached is a copy of State of Alaska treasury warrant #26206683. It was mailed today to the Department of Justice in NY. It appears that the funds were not sent electronically. Please let us know when the funds are received. In the meantime I will begin preparing a joint motion to terminate the pertinent sections of the Consent Decree.
