Anmei,

The U.S. Treasury did a search for the warrant. Treasury was unable to locate the warrant, and was unable to identify any payment in the amount of $397,000 that had been processed by the Federal Reserve. Staff from U.S. DOJ's National Central Intake Facility reached out to Elizabeth Pederson, who is listed on the warrant, but have not received a response.

I assume you would have contacted me if you had made progress in tracing the warrant on your end. At this point, it may be faster to cancel the issued warrant, and complete the payment through the electronic funds transfer, as specified in the Consent Decree and as previously discussed by EPA/DOJ and ADOT staff. If you could talk with the people involved with this on your end and get back to me, I would appreciate it.

Thank you, Anmei.

Chris,

Apparently the letter has not yet left the midtown sorting facility in NYC. I've opened an "investigation" with the USPS to try to track it down with more specificity.

If they have anything that may help DOJ locate it more quickly, it would be appreciated. Thanks.

Chris,

Thanks for the update. I saw your message pop up and hoped you were confirming receipt. I will ask the finance people if they have a tracking number or proof of delivery.

Anmei,

This is a status update, as it has been almost two weeks since your email notifying EPA that the treasury warrant was sent to the Federal Reserve in New York City, instead of the electronic payment method specified in the Consent Decree. The Dept. of Justice has been trying to locate the warrant.

I will let you know when it has been received. Thank you Anmei.

Chris,

Attached is a copy of State of Alaska treasury warrant #26206683. It was mailed today to the Department of Justice in NY. It appears that the funds were not sent electronically. Please let us know when the funds are received. In the meantime I will begin preparing a joint motion to terminate the pertinent sections of the Consent Decree.
