Good morning Ms. Goldsmith,

I tried calling your office, but it appears you were away from your desk.

I wanted to inform you that the United States has received the warrant from the State of Alaska, in the amount of $397,000. The warrant was issued for payment of stipulated penalties that accrued through December 31, 2014, pursuant to the United States of America v. State of Alaska, Department of Transportation and Public Facilities Consent Decree (Consent Decree), Civil Action No. 3:10-cv-00115-JWS. I was informed that the above mentioned warrant has been disbursed.

We look forward to receiving the State of Alaska, Department of Transportation and Public Facilities' (DOT&PF) request for the United States' consent to termination of the requirements of only Section III of the Consent Decree, together with its certification that DOT&PF has satisfied the criteria listed in Paragraph 41.c. of the Consent Decree. The United States will notify DOT&PF in writing within thirty days of receiving DOT&PF's request to terminate whether the United States does or does not object to the termination of Section III of the Consent Decree, or any portion of it. Assuming the United States does not object to the termination of Section III of the Consent Decree, the United States will submit a draft joint motion to terminate the requirements of Section III of the Consent Decree, for DOT&PF's review.

If you have any questions, please let me know. Thank you Anmei.

Sincerely,

Chris Bellovary
