FYI –
I will be out of the office tomorrow, so won't make this meeting. I think you should move forward without me, though, and I will catch up.

Deliberative Process / Ex. 5

I am attaching the options paper regarding the major strategic issues which significantly impact the path of the IP going forward. Sorry for the short time beforehand and that it got a bit lengthy. If the time is too short, let me know in the morning so we can reschedule so you have more time to review this. Ex. 5 - Deliberative/Attorney-Client

I think that's a great idea to include -- so it will include that to the extent I can do so with some accuracy.

Great, I think that an option paper on the strategic issues will be useful. Ex. 5 - Deliberative/Attorney-Client

As there have been requests from Julia to move this earlier in the day on Friday and concerns from Lauren that half an hour is not enough time, I am inclined to reschedule this for sometime next week. Look for a scheduler with an update.
