To EPA/Civil Rights/EJ,

We @ the Pitt Co Coalition Against Racism (CAR) endorse all the suggestions submitted by Mr. Omega Wilson (West End Revitalization Association)re: Draft Policy EPA Title VI.

We partner with WERA and other EJ organizations as the NC Environmental Justice Network (NCEJN)and understand fully why Omega is calling for greater clarity and specificity in the wording and implementation of the policy. Don Cavellini, Co-Chair, C.A.R.
