Hi Helena,

I made all the necessary changes to the document. It is now ready for Diane's signature. Attached is the revised copy. I left the hard copy packet in your box. Once Diane signs off on the document, Cheryl and I will complete the other tasks to prepare it to take to Laura's office. Thanks.

Karen

Karen, I think we talked about this today? OFR will fill in phrases such as [insert 30 days after date of publication], we shouldn't fill anything in there.

Hi Laura-

We are almost ready to send you the document for your review. We are trying to reach out to our docket point of contact to get our docket number.

Also, should we fill in the date of publication or leave that blank?

Karen Randolph has a phone call in with you but I thought I send an email in case you were checking.
