Hello All,

Attached is the IR with my edits made in track changes. There are a few comments that I have made, where I think there are missing citations.

Please let me know if you have any other questions or if there is anything else I can do.

Thank you all for a wonderful and meaningful internship experience! I cannot express how much I learned and enjoyed my time here!

Sincerely,

Kristin Moore

I can send this to her. She has one more day in the office and that is Friday. Is one day enough time to complete what you are requesting?

Can your intern please review the materials for edits, current formatting such as "the EPA" or spelling out C.F.R., U.S.C., and footnotes?

The materials are attached and if she has any questions she can contact Jonathan Stein.
