Ok, will take a look, starting with the factsheet. I'm around the week of the 28th.

Not a whole lot to report. The report was released this morning and can be found at http://deq.wyoming.gov/wqd/pavillion-investigation/resources/investigation-draft-report/ . The fourth item at this link is a 'fact sheet' that Todd Parfit spent most of yesterday going through. I recommend reading the fact sheet through first to get a flavor of what is called out from the report.

Ex. 5 - Deliberative Process Are either of you around the week of the 28th at all? I will schedule a quick review strategy session for either late that week or early in the week of Jan 5. Thanks, and have a great holiday!
