Re: State of New Jersey Dept. of Environmental Protection
v. Scientific Chemical Processing, Inc., et al.
Docket No. L-1852-83E

Dear Judge Stanton:

I will be representing Inmar Associates, Inc. and Marvin H. Mahan in this litigation. The purpose of my letter is to request an adjournment of the return date on the Order Show Cause which is now scheduled for May 27, 1983 at 9:00 A.M.

I am requesting the adjournment since I am presently on vacation and do not plan to return to New Jersey until May 25th. I have spoken with Mr. Reger who is representing the State of New Jersey but was unable to obtain his consent to an adjournment. I received the complaint in the mail on May 12, 1983 and, as is evident by the size of the complaint with attachments, the issues raised are complex. My client's first notice that the State of New Jersey was seeking some remedial action in regard to the site in question came with the filing of the complaint. Since my clients were not involved in any discussions with the New Jersey Department of Environmental Protection in regard to the site, they were unaware that the state was seeking to have them remedy a situation which was not caused in any matter by them but rather by others. In light of the fact that Inmar Associates, Inc. is merely an owner of the property, I intend to resist the issuance of an injunction against Inmar. My argument against the imposition of an injunction upon Mr. Mahan would apply with even greater force.

In the light of the short period of time, specifically fifteen days, within which the order requires my client to respond to the complaint and in light of my absence from the state I would respectfully request that the matter be carried for an additional two weeks. Accordingly, I will have someone from my office contact your office on Friday to ascertain whether or not my request has been granted.

Very truly yours,

Edward J. Egan
