Hi all,

Just getting back to my desk after a series of back to back meetings. I have an update from Jackie that I'll pass on to the EPA folks. Bottom line- we'll get the language after the holidays.

Thanks,
Alyssa

Hi Sara,

I just wanted to keep the lines of communication flowing since the holidays are soon approaching and as I understand it NYDEC wants to issue the permit by the end of the year.

Do you have the updated language that was discussed with Alyssa for us to review? I know you probably have a lot to wrap up at this time so I wanted to remind you.

Thanks,
Andrea
